

## **IGSTC Virtual Event** 2+2 Call 2022 on Waste to Wealth and Sustainable Packaging

27th January 2022, Thursday | 2:30 PM IST/10:00 AM CET Onwards

The Indo-German Science & Technology Centre (IGSTC) was established to facilitate Indo-German R&D networking through substantive interactions among government, academia/research system and industries, thus fostering innovation for overall economic and societal developments in both the countries. Through its flagship program "2+2 Mode of Partnership", IGSTC intends to catalyse innovation centric R&D projects by synergising the strength of research/academic institutions and public/private industries from India and Germany.

IGSTC is organizing a virtual event to promote its upcoming Call 2022 in the thematic areas of Waste to Wealth and Sustainable Packaging. IGSTC has invited top experts and scientists from India & Germany to have an insightful and immersive session for subject knowledge and bilateral research & partnerships.
